**RENOVA Announces Receipt of an Award at IJ Global Awards 2023 APAC
for the Grid Storage Battery Business in Himeji**

RENOVA, Inc. (Chuo-ku, Tokyo; Representative Director, President & CEO: Yosuke Kiminami) is pleased to announce that it was awarded the Renewable Energy Deal of the Year - BESS - Award at IJ Global Awards 2023 APAC held in Singapore on Wednesday, April 17, 2024, for its grid storage battery business. The Himeji Energy Storage Facility (Himeji, Hyogo Prefecture; Storage capacity of 48 MWh) is a joint venture between RENOVA and Idemitsu Kosan Co., Ltd. (Chiyoda-ku, Tokyo; Founding CEO: Shunichi Kito), Nagase & Co., Ltd. (Chiyoda-ku, Tokyo; Founding CEO: Hiroyuki Ueshima), and SMFL MIRAI Partners Co., Ltd. (Chiyoda-ku, Tokyo; Founding CEO: Tatsuro Terada).

IJ Global Awards 2023 APAC was hosted by the IJ Global-Project Finance & Infrastructure Journal, an international journal on project financing based in London, and the Renewable Energy Deal of the Year - BESS - Award recognizes exceptional investment activities and financial transactions in the Asian-Pacific region in the field of battery storage.

Not only the renewable energy business with multiple energy sources (solar, wind, biomass, geothermal, water, etc.), Renova is now moving forward with new green businesses including battery storage project in Japan and abroad, based on our corporate vision to become Asia's renewable energy leader. We will continue to leverage our strengths to significantly contribute to building a decarbonized society.
